#### REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Board of Trustees ABWE Ministries, Inc. Harrisburg, Pennsylvania

We have audited the accompanying combined statements of financial position of ABWE Ministries, Inc., ("ABWE") as of December 31, 2006 and 2005, and the related combined statements of activities and changes in net assets and of cash flows for the years then ended. These financial statements are the responsibility of ABWE's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of ABWE as of December 31, 2006 and 2005, the changes in its net assets and its cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

#### NOTES TO COMBINED FINANCIAL STATEMENTS

#### December 31, 2006 and 2005

#### (1) ORGANIZATION

The combined financial statements includes the operations of ABWE Ministries, Inc., ABWE International, Inc., ("International"), Association of Baptists for World Evangelism – North America, Inc. ("North America"), (collectively "Ministries"). These entities comprise a group of worldwide Christian missionary organizations operating as not-for-profit religious corporations, which are exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Property and business of the corporations are managed by the Board of Trustees of each organization. Trustees for International and North America are elected by Trustees of ABWE Ministries, Inc. An agency agreement between International and Canada established control by International.

Commencing September 2005, with the change in the agency agreement between International and Canada, International no longer has control over the operations of Canada. As such, Canadian operations have not been consolidated since September 2005. The operations of Canada are not material to the financial statements of Ministries.

All intercompany balances and transactions have been eliminated.

#### (2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### **CLASSES OF NET ASSETS**

The financial statements report amounts separately by class of net assets as follows:

<u>Unrestricted</u> amounts are those currently available at the discretion of the board for use in operations and those resources invested in property and equipment

<u>Temporarily restricted</u> amounts are those which are stipulated by donors for specific operating purposes or for the acquisition of property or equipment

All contributions are considered available for unrestricted use, unless specifically restricted by the donor, or subject to other legal restrictions. Donor restricted contributions whose restrictions are met within the same year as received are reflected as unrestricted contributions in the accompanying financial statements.

#### CASH AND CASH EQUIVALENTS

Cash consists of interest bearing checking and money market accounts. Ministries considers all highly liquid investment instruments purchased with a maturity of three months or less to be cash and cash equivalents. Total cash and cash equivalents held in foreign accounts were \$2,494,719 and \$2,334,469 at December 31, 2006 and 2005 respectively.

#### **INVESTMENTS**

Investments in equity securities with readily determinable fair values and all debt securities are reported at fair value with gains and losses included in the combined statements of activities.

Non-readily marketable securities are carried at estimated fair value.

#### NOTES TO COMBINED FINANCIAL STATEMENTS – (Continued)

#### December 31, 2006 and 2005

#### CONCENTRATION OF CREDIT AND OTHER RISKS

Ministries places substantially all of its cash and liquid investments with high-quality financial institutions and limits the amount of exposure to any one financial institution. These accounts, from time to time, may exceed federally insured limits. The risk is managed by maintaining all deposits in high quality financial institutions

Additionally, Ministries operates in many foreign countries, many of which do not have stable governments or economies. To the extent adverse events occur in these countries, Ministries foreign cash accounts may decline sharply or such accounts may not be able to be recovered or removed from these countries.

#### PROPERTY AND EQUIPMENT

Land and buildings are stated at cost. Post-1985 acquisitions are stated at cost. Pre-1985 furnishings and equipment were not capitalized. Building improvements and furnishings and equipment are capitalized when total costs exceed \$30,000 and \$15,000, respectively. Real estate and equipment owned in foreign and national fields are not reflected on the balance sheet, as they are recorded as expenses when purchased. The capitalizing of these assets are not material to the financial statements.

Depreciation is recorded on property and equipment using the straight-line method based on estimated lives as follows:

Buildings and Improvements 40-50 Years Equipment 5-20 Years

#### **CONTRIBUTIONS**

Ministries records unconditional promises to give (pledges) as a receivable and revenue in the year pledged. Gifts of cash and other assets are reported as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose of the restriction is accomplished, temporarily restricted net assets are then classified to unrestricted net assets. Substantially all contributions are received from an affiliated organization, ABWE Foundation, Inc.

#### FUNCTIONAL ALLOCATION OF EXPENSES

Ministries' costs of program and support activities have been summarized on a functional basis in the statement of activities and changes in net assets. The costs of certain multipurpose activities have been allocated based on level of effort among program and support ministry categories.

#### **ACCOUNTING ESTIMATES**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

#### (5) PENSION PLANS

Ministries participate in pension plans which provide retirement benefits for qualified full-time missionaries and staff. The ABWE Missionary Retirement Trust and ABWE Staff Retirement Plan are qualified defined benefit plans. Both plans are administered by the ABWE Foundation, Inc. For the years ended December 31, 2006 and 2005, missionary pension expense was \$707,305 and \$679,694, respectively, and staff pension expense was \$190,296 and \$286,976, respectively. These amounts were paid to the ABWE Foundation, which by agreement with Ministries assumes all liability for payment of future retirement benefits based on qualifying service of its employees covered by the plans.
