**DAY OF
PRAYER**
FOR CHURCH PLANTING

JUNE 05 ——— 20
22

Dear Friends.

Thank you for joining the Day of Prayer for Church Planting. Our team believes this is an important day for the church around the world. Today, thousands of Christ followers will join together in humble hearts to ask the Lord to continue building his church.

We stop and pray today because of the powerful words spoken by Jesus to his disciples in that great promise: “I will build my church.” We know that nothing is going to stop him from accomplishing what he desires to accomplish. Jesus went so far to say that even the gates of hell will not stop this from happening. We pray today because of this promise.

We have designed this prayer guide to help you think through some main issues regarding church planting. We ask you, with a humble heart, to take time to read the Scriptures included and reflect on each topic. As you do, take a few minutes to record your prayerful thoughts. Our hope is that this is the start or continuation of a heart for prayer for Christ’s church around the world.

Thank you for the sacrifice of your time. Thank you for joining us.

For his glory and our good,

Thad Bergmeier

Sending Missionaries

For nearly 100 years, ABWE has served the local church by mobilizing, supporting, and empowering missionaries who engage in evangelism, discipleship, church planting, and partnership with national believers. Throughout its history, ABWE workers have taken the gospel to the least-reached and helped disciple the church to maturity where the gospel has already taken root. Now, as a global family of ministries, ABWE's 1,000 missionaries are reaching 84 countries and countless people groups using a variety of ministries and skills to most effectively make an impact in an ever-changing world.
