

DAY OF PRAYER FOR CHURCH PLANTING

Prayer Guide | May 28, 2023

On the Day of Pentecost, we celebrate the birth of the church and pray for its growth.

We're praying for God to raise up a new generation of godly church leaders and church planters.

The next generation of church planters are...

Attending Your Church

- Pray that pastors and church leaders will cast a vision at least once a month for multiplying disciples, leaders, & churches.
- Pray that your church focuses on making disciples who make disciples.
- Pray that your students and children will love Jesus passionately and pursue him with their lives.
- Pray that those looking for a second career will give their lives to the mission of Christ.
- Pray that leaders will be developing leaders in every area of church life
- Pray for patience and grace as aspiring church planters develop the skills for ministry.

Living in Your Home

- Pray for the salvation of your children.
- Pray that your children love Jesus more than anything this world has to offer.
- Pray that parents will cast a vision for their children that missions and church planting is an honorable pursuit.
- Pray for meaningful ministry opportunities for the entire family.
- Pray that your sons and daughters will leverage their careers to be part of church planting teams.
- Pray that God helps your family identify one specific church planter to financially support and pray for in the next year.

Found in the Harvest

- Pray that every individual in your community will have repeated opportunities to respond to the gospel.
- Pray daily for specific people in your circle of relationships who do not know Jesus.
- Pray for boldness to share the gospel with one person in the next two weeks.
- Pray with a spirit of curiosity for how God may sovereignly use your unsaved friends for the expansion of his kingdom.
- Pray for the salvation of one person this year who God will use as part of a church planting team.
- Pray for God to raise up church planters from the harvest (Matthew 9:38).
