

GLOBAL GOSPEL FUND

YOU MAY GIVE TO ONE MISSIONARY. Now, through an additional gift to the Global Gospel Fund, you can also support more than 1,000.

When ABWE began more than 90 years ago, a small group of volunteers met monthly to support five missionaries in the Philippines.

Today ABWE serves

- **20,000+** donors
- **5,000+** partner churches
- **1,000+** missionaries and partners in **70 countries**
- and processes more than **300,000 gifts annually**

LEADERSHIP. STRATEGY. VISION. CARE.

The Global Gospel Fund empowers missionaries, local churches, and donors to play their part in the Great Commission work. Our goal is to spark global missions movements—where local leaders are trained, mission-minded churches are started, and believers are compelled to carry the message of Jesus to every nation.

Investing in the Global Gospel Fund helps fulfill this vision. But we can't do it without you.
