You'll discover why going with a missions agency is more effective and rewarding than going alone.

We Will Help You:

- Experience God's heartbeat for redeeming all peoples
- Understand a biblical theology of missions
- Connect with the vision, values, and worldwide opportunities of ABWE
- Identify the roles of the sending church and the agency
- Steward your time, talents, and treasures for the Great Commission

Whether you're just curious about missions or you've already embraced your call to the nations, Demo is a great way to begin your journey.
