

ABWE DONATION GIVING PROCESS

If you would like to give a donation to a project or a missionary of ABWE, the pictures below should give you step-by-step instructions to complete this very simple process. THANK YOU for partnering with ABWE to proclaim the Good News of Salvation in Christ with people around the world!!

Begin the process by simply going to www.abwe.org and click on the “Give” button.

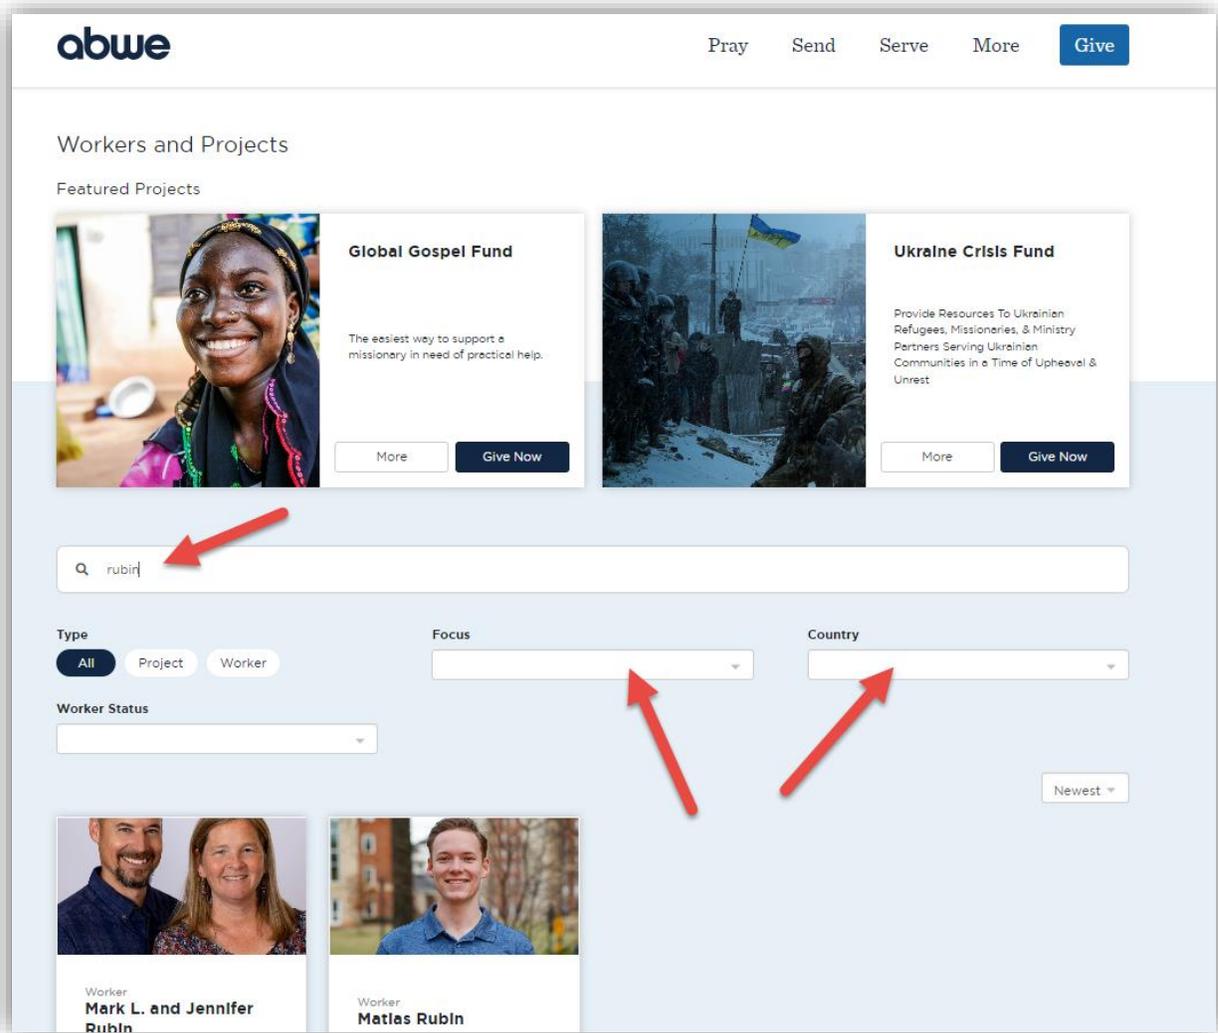

This will open a page where you can select to support an ABWE missionary, a project, or the Global Gospel Fund. For this example we will click on the “Find a Worker” button.

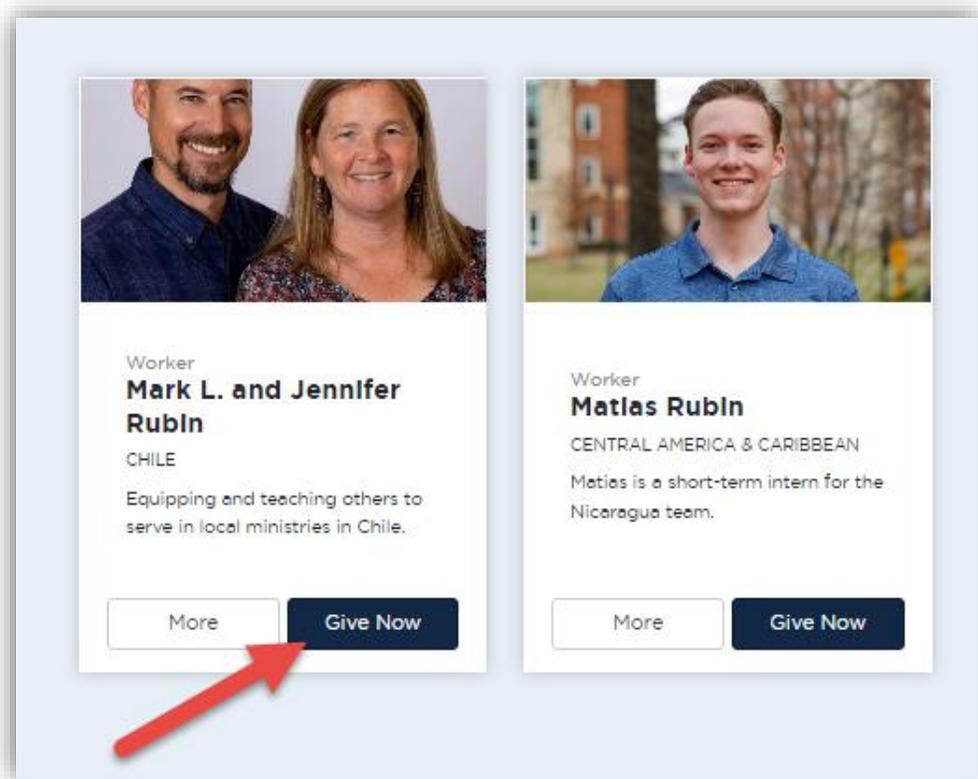

Once you are on the giving section of our webpage, you can type in the name of a missionary, the ministry account number, the country, or the type of ministry (i.e. aviation, hospital, clinic, etc.) that you would like to support. You can further refine those results by using the drop-down boxes to focus on a specific ministry or country.

In the example below I simply typed in the last name of the missionary and the page automatically updated to reflect the available options.

Once you find the missionary or project you want to support, you can either click on the “More” button to see a more detailed explanation of the ministry if available or click on the “Give Now” button to begin the donation process.

GIVING PROCESS

Step One— Enter the amount of the donation you want to contribute. Check the box below if you want to cover the bank or card transaction fees. Select “One Time” for a single donation or choose “Monthly” to support the missionary or project automatically each month.

The screenshot displays a four-step giving process: 1. Gift, 2. Contact, 3. Payment, and 4. Review. The current step is 'Gift', which includes the following elements:

- Donor Information:** Mark L. and Jennifer Rubin, 0138401 - Support. A red arrow points to the donor name.
- Amount:** \$ 10.00. A red arrow points to the amount field.
- Processing Fees:** A checkbox labeled "Add \$0.77 to cover bank/card fees (or \$0.75 if bank account)" is checked. A red arrow points to this checkbox.
- Frequency:** Options for "One Time" (selected) and "Monthly" (with a heart icon). A red arrow points to the "One Time" button.
- Next Step:** A "Next" button is located at the bottom right.

Step Two – Complete the contact information. Pay special attention at the top as to whether you are donating as an individual person or if you are giving as an organization (business or a church).

The screenshot shows a multi-step donation process. At the top, a progress bar indicates four steps: 1. Gift (checked), 2. Contact (active), 3. Payment, and 4. Review. Below the progress bar, the heading "Tell us your contact information" is followed by two radio button options: "Person" and "Organization". A red callout box with a speech bubble points to the "Organization" link, containing the text: "If giving as church / business then click on the Organization link". Below these options are several input fields: "Email", "First Name", "Last Name", "Country" (a dropdown menu currently showing "United States"), "Street address", "Street address 2", "City", "State / Province", and "ZIP / Postal code". At the bottom of the form, there is a checkbox labeled "Give Anonymously" with the subtext "Make my donation anonymous to the missionaries/projects I am supporting." Two dark blue buttons, "Back" and "Next", are positioned at the bottom of the form area.

Step Three— Add your bank account or card information. If you selected to cover the fees associated with this donation at the beginning of the process, the fee amount might change depending on the method of payment chosen.
